

# Shells and Sails

A Capacity Building, Club Development and Participation Initiative

Partnership between ROWONTARIO and Ontario Sailing to develop a club development and support initiative utilizing a Club Assessment Tool, on the ground support to clubs and growing the sport of rowing.

Plan A (successful funding app.): Support on the ground!

Plan B: A modified version of Club Assessment Tool with an extensive resource collection.

# Timeline

- Club Assessment Tool- in development
- Develop Job Description and Hiring process for a Coordinator- March/April 2012
- Confirmation of Funding- March 2012
- Large Launch or Small Launch depending on funding
- Looking for Pilot clubs interested in being part of Year 1- pilots

# Questions / Comments

Please contact Ashley for more information or to be part of the year 1 pilot.
