How points are awarded. Athletes score in the Olympic coastal classes only — C1x and CMix2x. First 75, second 65, third 60, fourth 55, quarter-finalist 25, round of 16 15, time trial completed 10. Where a field is smaller than sixteen, every athlete who competes is deemed to have reached the round of 16; smaller than eight, the quarter-final.

Series champions are awarded in the four categories, with a club champion to the club whose athletes earn the most cumulative points across the season.

Standings are provisional until ratified.
