

Hall of Fame Policy

Scope

Row Ontario's Hall of Fame recognizes and honours the outstanding contributions and individual achievements of athletes, coaches, umpires, and builders in the sport of rowing in Ontario.

The accomplishments of those individuals inducted into the Row Ontario Hall of Fame are considered exemplar and superior to the contributions and achievements of the majority of individuals within their field.

Policy Details

There are four categories of nomination for induction into the Row Ontario Hall of Fame:

- Athlete
 - Elite Athlete
 - Crew
- Coach
- Umpire
- Builder

ATHLETE:

Elite Athlete:

An 'Elite Athlete' is one who competed at the highest levels of international rowing competition over a number of years. This includes athletes from all age categories (including Masters Rowing) in the disciplines of flatwater rowing, indoor rowing and coastal rowing. Athletes must be retired from the highest levels of international rowing competition for a period of not less than three (3) years at the time of nomination.

Primary athletic considerations for determining an Elite Athlete's worthiness for induction into the Row Ontario Hall of Fame are as follows:

Additional Pertinent Information

Row Ontario will circulate among the Ontario rowing community an annual call for Hall of Fame nominations. Candidates must be nominated by an Ontario member club, a Row Ontario Board of Director/ Staff/ Committee representative and/or other rowing stakeholder. Self-nominations are not permitted.

Nomination forms will only be eligible for consideration if: complete, received by the stated deadline, accurate and truthful, and endorsed by the nominee's signature. Row Ontario's Board of Directors and/or staff, after reviewing the submitted nominations, may solicit additional nominations if they believe a person or persons meriting consideration for the Hall of Fame has not been nominated.

The rigorous review process consists of two steps. In step 1, Row Ontario staff will screen all nominations for eligibility. In step 2, those nominations meeting all criteria will be reviewed by the Hall of Fame Selection Panel (The Panel) comprised of sport and rowing community members convened specifically for this purpose. The Panel will determine a nominee's worthiness for induction into the Row Ontario Hall of Fame after a review of the nomination submission and solicitation of any additional pertinent information related to their potential Hall of Fame induction. All decisions of The Panel will be sent to the Row Ontario Board of Directors for ratification.

Nominees will be considered for induction in the year they are nominated. Nominations for meritorious candidates will also be carried forward and remain active in the review process for up to five (5) years; annual updates for nominations carried forward are permitted. In the event a nominee in the Coach, Umpire, or Builder category is not selected for induction, a period of at least five (5) years must have passed after the review process before a candidate's nomination form can be re-submitted for consideration. Athlete nominations cannot be re-submitted if not selected for the Hall of Fame within the five (5) year review process.

Strong preference will be given to nominees who have maintained a membership in good standing with an Ontario-based rowing club over the majority of their career.

Row Ontario is under no obligation to induct a Hall of Fame member each year. Those currently, actively serving on the Board of Directors or employed by Row Ontario are not eligible to be nominated for Hall of Fame honours.

Policy Implementation

The Row Ontario Board of Directors is responsible for the approval, implementation and enforcement of this policy.

Modification of Criteria

This policy may be revised by Row Ontario, as necessary.
