

Scope

This policy applies to all ROWONTARIO teams of all ages when traveling as a team for any distance.

Definitions

Team Travel – Any time athletes are traveling together for the purposes of training and or competing while officially representing ROWONTARIO.

Policy

ROWONTARIO is committed to creating a safe and positive environment for all, and to ensuring that it promotes an environment free of misconduct. ROWONTARIO will establish Team Travel Procedures focused on establishing clear boundaries, minimizing one-on-one interactions, and protecting the welfare of our athletes, parents/guardians and coaches/staff during team-related travel. Adherence to these travel procedures will increase athlete safety and improve the competitive experience while keeping travel a fun and enjoyable experience.

Travel Scheduling

When appropriate, every effort will be made to schedule travel to minimize the impact of travel on educational commitments. However, in situations when ROWONTARIO staff or volunteers are driving vehicles, regardless of the presence of athletes and/or trailers, the number of hours and kilometers traveled in a single day will be limited to ensure the safe operation of vehicles for the safety of all involved. This may result in extra time being added to travel. All ROWONTARIO operated vehicles will travel together for safety and to ensure appropriate adult to athlete ratios at stops and in case of emergencies.

Individual Athlete Travel

Under no circumstances will a single athlete under 19 travel alone with one coach for any event, including local events. The athlete maybe required to provide an adult to travel with them.

Mixed Gender and Mixed-Age Travel

Competitive teams often includes male and female athletes across various ages. Athletes will only share a room with other athletes of the same gender and age group. Chaperones of opposite gender of the coach maybe required to travel with the team. Regardless of gender, a coach or chaperone shall not share a hotel room or other sleeping arrangements with an athlete.

Operational Procedures

Travel Documentation

Every participant will be responsible for ensuring they have the needed travel documentation while travelling. Additionally, in all cases of international travel, the athlete will need to provide a photocopy of their passport 14 days before the trip to the designated ROWONTARIO staff. In cases of international travel, for athletes 19 and under, all parents/guardians will also be asked to sign consent forms to give permission for the ROWONTARIO designate to accompany the minor athlete across the border.

Cross Border Travel

In addition to ensuring every athlete has a consent form for international (cross border) travel, the team will travel with a master list and a letter signed by the Executive Director detailing the trip and participants. This will be provided for all members of the group, regardless of the age of each individual.

Travel Notification

All transportation plans will be communicated to athletes (and parents/guardians for athletes under 19) with reasonable advance notice, including the dates, location and duration of the event. Travel notice will also include designated team hotels for overnight stays as well as dedicated ROWONTARIO contact information. ROWONTARIO will provide to all team members (and parents/guardians for athletes under 19) specific travel itineraries and include the detailed competition or training schedule.

For athletes under 19, ROWONTARIO is committed to communicating with parents/guardians during team travel.

- Families will be provided with two emergency contact information options as well as information for all hotels and venues as well as regular coach updates.
- Athletes are encouraged to use their cell phones and other forms of electronic communication during trips and encouraged to send information to their families—especially regular updates from the road and changes to schedules.
- Dedicated times will be established for athletes to contact their families.
- Any changes to the detailed travel itinerary as well as progress (such as reaching the airport/hotel, etc.) will be provided by ROWONTARIO official means as soon as reasonably possible.
- Email will be the official means of communication between ROWONTARIO and athletes (and parents/guardians of athletes under 19) regarding travel information, except in cases of emergencies when phone calls or text message will be made.

Safe Driving Procedures

When ROWONTARIO staff or volunteers are required to drive a vehicle, no one day of travel will be longer than 8 hours of one individual driving or 10 hours if two drivers are sharing the driving. No one stretch of driving should be longer than 4 hours, without a break. When trip planning consider both estimated time for travel taking into account time of day and anticipated traffic. It is expected in trip planning that staff will be prepared for unexpected traffic or other issues that may limit distance covered in a period of time.

Coach/Staff Responsibilities

Coaches and staff will:

- Prepare athletes for team travel and make athletes aware of all expectations. Supplemental information will be given to the parent/guardians of athletes who are considered inexperienced travelers, new or relatively new to team travel, or who are under the age of 19.
- Familiarize themselves with all travel itineraries and schedules before the initiation of team travel.
- Encourage athletes to participate in regular, at least daily, scheduled communications with their parents/guardians. As well the coaches will provide quickly daily updates.
- Monitor the activities of athletes and fellow coaches. Help athletes be on time for all team commitments.
- Assist with team travel logistical needs.
- Support the monitoring of athletes for adherence to curfew restrictions set based on age and competition schedule as listed in travel itinerary.
- Make certain that athletes are not alone in a hotel room with any adult apart from a family member; this includes coaches, staff and volunteers.
- Not use drugs or alcohol in the presence of minors or be under the influence of drugs or alcohol while performing their coaching duties.
- Notify parents/guardians before taking any disciplinary action against a minor athlete if the athlete is traveling without them.
- Report off-site incidents as soon as information is available, using the standard ROWONTARIO Incident Report Form.

ROWONTARIO will designate a lead staff person for each team travel who additionally will:
